QUOTATION TABULATION

General Services
(Procurement) Division

Thank you for your response to our Request for Quotation # D209-017-R2. For your information, the following is a tabulation of all responses which were received. This quotation was **NOT AWARDED (project cancelled due to budget constraints)**. If you have any questions, please contact me at the address/phone number shown above. Buyer: William D. "Bill" Noyes, CPPO, CPPB, Intermediate Procurement Agent

Qty	U/M	Description	Knox County Stone
150	TON	Type 2 Rock Blanket (Section 611.30 of the 2004 edition of the Missouri Standard Specification for Highway Construction)	
Delivered by the vendor to the Green City Maintenance Building:			\$23.40 per ton *
Total Order Extension:			\$3,510.00

* NOTE: Knox County Stone also offered a plant pick-up price of \$8.20 per ton, in lieu of the delivered price quoted, but it was determined it would not be feasible for MoDOT to haul these materials, when factoring in the mileage, equipment, fuel and labor costs we would incur in doing so.

APAC-Missouri, Mertens Construction and Wilkerson Brothers Quarry each submitted "No Quote" responses (the delivery point or work location is outside of their territory or coverage/service area).

Hardy Trucking and Leo O'Laughlin each submitted "No Quote" responses (could not get pricing on these materials).

The following vendors were provided notification of the online posting of the RFQ opportunity, but no responses were received from: Central Stone, Douds Stone, Fischer Quarries, Gallatin Sand & Constr., Hilty Quarries, JLG Trucking, Lafarge North America, L&W Quarries, M&M Trucking, M&P Trucking, Mid-Missouri Limestone, Mutter Farms, Norris Aggregate Products, Skyline Materials, Traeger Limestone & Tri-Star Quarry.
